BNG SHIPPING SERVICES

At BNG Shipping, we have a vast network of partnerships with ship owners and shipping agents throughout China. This allows us to gather the most favorable offers from our trusted solution partners for your specific needs. Our partners provide top-quality, safe services and offer the most competitive pricing options for every destination.

BNG shipping provides logistics organization

and tracking services on behalf of its customers for the efficient transportation of goods at every stage of the logistics process.

Our company is growing in the sector with a wide variety of logistics solutions for our clients over international transportation and storage, handling, and solutions as part of the supply chain. Consult us to arrange collection and overseas shipment from your suppliers in China.

Our range of logistics services, including transportation, handling and warehousing, meet the expectations of our customers. As BNG cargo. In cooperation with our suppliers and solution partners in logistics processes, we offer turnkey solutions to our customers around the world.

Sea Freight

At BNG Shipping, we understand the importance of reliable and efficient international freight services. That's why we offer a wide range of sea freight options, including Full Container Load (FCL) and Less than Container Load (LCL) services.

Our experienced logistics team will work with you to determine the best sea freight solution for your specific needs, whether you're shipping large volumes or small consignments.

- Full Container Load (FCL) Ocean Freight Forwarding
- Less-than-Container Load (LCL) Ocean Freight Forwarding
- BreakBulk Service (non-containerized loads)
- Consolidation Services
- From China to all over the world

Air Freight

When time is of the essence, BNG Shipping's air freight services provide the perfect solution for your international shipping needs. We offer fast and reliable air transportation, ensuring that your cargo arrives at its destination on time.

Our experienced logistics team will work closely with you to develop a customized air freight solution that meets your specific requirements, including transit times, routing, and packaging.

- Import and export for conventional freight
- Consolidation/hubs
- General cargo
- From China to all over the world
- Project cargo, whatever the weight or configuration

Rail Freight

BNG Shipping also offers FCL and LCL shipping from China to Europe by Rail. This service is an efficient, cost-effective alternative to sea or air freight shipping cargo from China to EU countries.

Our rail freight services ensure that your goods are delivered promptly, safely, and securely. Our team of experts will work closely with you to develop a customized rail freight solution that meets your specific requirements, including transit times, routing, and packaging.

- Secure and fast service between China to Europe
- Shorter transit times than sea freight
- Intermodal transportation network
- Rail Direct Less-than-Container Load (LCL)
- Rail Direct Full Container Load (FCL)
- Final mile delivery
